

Directions and Parking Instruction to Empshill Farm, Northleach

This is a working farm and cars should drive very slowly on site and beware of horses and dogs. Please follow the directions provided for parking and to the pool to ensure we respect the owners property, and ensure your children are accompanied at all times.

DIRECTIONS

We recommend using the whats3word app or website <https://what3words.com/> to find Empshill farm. Use the following 3 words to find the farm entrance static.scarecrow.blizzard

Turn off the A40 onto Empshill Road this is sign posted towards Farmington and the farm is the first turning on the right hand side. Look out for the brown gates to the entrance of the farm.

The entrance to the pool is half way down the hill once you have driven through the stable yard. It is the first turning on the right as you face down the hill. Walk past the bird aviary on your right hand side and down the first set of the stairs on the left, through the patio door.

PARKING

- Upon arrival at Empshill Farm, drive through the large gate and follow the private road. Please drive very slowly ensuring you are mindful of dogs and horses.
- Drive past the main house on the right and to the stable yard at the top of the hill.
- Please DO NOT park on any of the grass. Please avoid parking facing up or down the hill.

Parking area 1 - is the stable yard you drive through to get to the pool. You can park on the left hand side of the yard with your car bonnet facing the stable block. Please do not block any doors, archways or the grey rolling down doors, as tractors come in and out of these doors throughout the morning. There is enough space for roughly 5 to 6 cars in this area.

Parking area 2 - turn left down the hill at the end of the stable yard. You can park in the first and second gate area as you head down the hill. There is enough room for at least 6 cars in these spaces. There will be the Teacher and Poolside Assistants cars parked here so you know it is ok to park here.

Parking area 3 - this is the overflow car park. You can find this if you turn left as you go through the stable yard (you turn right down the hill to the pool). Here you can park 7-8 cars in this area lined up. Car bonnets must be facing down the hill. Please be aware you **MUST** not park in front of the barns in this area as the machinery is in use and we must not block any of this in.
